

## Admissions Information for Student Veterans

Villanova University welcomes first-year and [transfer applications](#) from students with previous college experience from other institutions. To be eligible for [transfer admission](#) to Villanova, you must have enrolled in college as a degree-seeking student or a full-time student after completing high school. **Villanova is now test-optional for transfer students.**

Villanova is proud to be a partner with [Service to School](#), a national non-profit, that assists veterans through the application process for institutions of higher education, free of charge. We encourage you to use them as you begin to think about applying.

### TRANSFER APPLICATION DEADLINES

#### Fall Term

- **March 1:** Fitzpatrick College of Nursing
- **June 1:** College of Liberal Arts and Sciences, Villanova School of Business and College of Engineering (Electrical Engineering only)

#### Spring Term

- **November 1:** College of Liberal Arts and Sciences and College of Engineering (Electrical Engineering only)
- The Villanova School of Business and Fitzpatrick College of Nursing do not consider applications for Spring transfer.

The College of Professional Studies (CPS) Application Process: CPS is built to meet the needs of our adult students and offers a variety of associate and bachelor degree programs, credit-bearing certificates and professional education (non-credit) programs. Whether you're active duty, reserves, a veteran or a military family member, CPS has an online, on-campus, or hybrid program to meet your needs.

Learn more about the [application process](#) to our College of Professional Studies.

Any further questions, please [email](#) the Office of Veterans and Military Service Members.
